

It's no secret that radiant-looking skin equals younger-looking skin, and this innovative overnight serum can help your customers wake up to brighter-looking, more youthful skin.

Our **new Clinical Luminosity Pro Brightening Serum** has been formulated to visibly reduce wrinkles, help fade age spots, and revive dull skin to reveal a youthful radiance. With proven results, 84% of those who tried it saw dramatically brighter-looking skin*.

This super serum will **normally be £28**, but has a special **introductory price of £18** in Brochure 7. It's available with a **demonstration price of £12.60** in **Hello Tomorrow 7**.
